

Ark All Saints Academy

Wednesday 14th October 2020

Dear Parents,

End of Academy Day

We are approaching the end of term 1 of 2020-2021. The last time we wrote to you we were welcoming your child into the new Academic year.

We are very proud of what we have achieved over the past 8 weeks. We aimed to create a safe environment for scholars and staff to come back to our building and be ready to get back to classroom learning and I would like to share my thanks to everyone in the AASA community for supporting each other to help achieve this.

As we move into the Autumn term there are some changes we will be making to the end of school time for some year groups. Please see details below. **This will start from Thursday 15th October 2020.**

Year 11 parents- we will always keep you updated about any changes expected to your child's GCSE examinations as soon as we know them.

End of day timings:

Year Group	Normal dismiss start time	Wednesday dismiss start time
Year 7	3:20	2:20
Year 8	3:25	2:25
Year 9	3:30	2:30
Year 10	3:35	2:35
Year 11	4:30	2:45

We are adjusting the end of day dismiss times to ensure the areas around our school are kept safe for everybody. With autumn drawing in, it is more important than ever that your child goes straight home at the end of each day. We do not want scholars hanging around the streets or visiting fast food outlets in our uniform. If they need to go out after school they must go home first, get your permission and get changed into

Ark All Saints Academy

their own clothes. Your support with this helps us keep our community calm and our scholars safe.

Please support us in reminding scholars about the dangers of fireworks which are more common at this time of year.

I wish you a restful October half term and look forward to welcoming our scholars back on Monday 2nd November 2020.

Your Faithfully

Ms L Frame
Principal
