

Ark All Saints Academy

Friday 12th June 2020

Dear Parents,

We hope you are all well and safe. We wanted to write to all Year 7, 8 and 9 parents to let you know that from Monday 15th June we will have Year 10 back on site. This is following the government advice for us to do so. They are not currently advising that Year 7, 8 or 9 return to school and we do not expect this to change before September.

We will therefore be continuing our remote learning provision for scholars in Year 7, 8 and 9 and expect all scholars in these year groups to continue working online. We are so proud of the work that scholars have been producing and sending to us on Show My Homework and of the “live” work being completed each day on Microsoft Teams.

We want to thank you for all your ongoing support. We know that you have had to juggle home schooling and adaptations to your own working life whilst looking your after family in these very strange times and we know this has not been easy.

From Monday 15th June we will be making some amendments to the online timetable for Year 7, 8 and 9, this is to ensure that the new onsite timetable for Year 10 can be taught. The new timetables are attached at the end of this letter, all changes are highlighted in yellow.

The return of Year 10 to school does not affect the **Community Classrooms** for key worker and vulnerable scholars. They can continue to attend, regardless of which year group they are in. However, if your child has specific health vulnerabilities, they should not come to school. Further details are available [here](#).

If there is anything we can do to support you and your family then please do let us know.

Yours faithfully,

Ms L Frame
Principal
